FROM THE PASTOR'S DESK

Dear Church Family,

What a "Wild" week of VBS we have had. We kicked off VBS this past Sunday night and it has been a wonderfully wild week. Some of my favorites from the week include being led in worship by the "Zoo Crew" this group of young ladies have done a wonderful job of leading us in our worship time each night. In addition to leading us to sing the songs they also learned and led us in the motions for each song. These girls also performed our nightly skits at the beginning and end of each night. The "Zoo Crew" is comprised of Sophie Allred, Kailey Davidson, Brylea Rogers, Emily Baker, and Savannah Allred. Great job girls! Another highlight of the week has been to see the boys and girls memorize John 20:31. Over thirty of our boys and girls have learned the verse and recited it to me and I'm certain there will be more before the week is done. I am very proud of the effort of these boys and girls to hide God's word in their hearts. A huge thank you to all our VBS workers that have worked so hard to make this week a great success. Please continue to pray for the gospel seeds that were planted to sprout up in the lives of all who have heard the Good News during VBS week. Let me encourage you to join us this Friday at 6 PM for our VBS family night. We will have many guests to join us and this will be a great opportunity for you to meet them and show them gospel hospitality.

Please be in prayer for the pastor's conference and the SBC meeting in Birmingham this coming week. Pray for guidance and wisdom for all the business that will be discussed and put to a vote. I am planning to attend along with many others from our association so please pray for traveling safety. If you would like to tune in to the sessions, you can do so by going to www.sbcannualmeeting.net. All the sessions including the pastor's conference will be live streamed.

In Christ,

Bro. Sh
