Dear Church Family,

RE: Our Response to Covid-19

This is a brief summary of changes we are making regarding Worship services and activities regarding our church.

Our services will be online via Facebook and YouTube at our regular Sunday morning service time of 11 AM. We will continue to worship in prayer, song, giving, and the preaching of the Word as we gather from a distance. I will also go live on Wednesdays at 7 PM with a midweek word of encouragement that will help us to stay connected.

There will be opportunities for ministry that we need to be involved in because our community is hurting and needs the hope we have to offer. We are in the process of preparing care boxes of groceries and paper goods to distribute to those in need. This will take place this Friday, March 20 from 5:30-7 PM. People can drive up and we will deliver the care box to them and offer to pray and minister to them.

Also we are calling on everyone to help us stay connected to one another while we are not meeting in person. We want to pray for, encourage, and help one another because we realize this need is great now more than ever. We're asking everyone to "adopt" five church families that you will be responsible to connect with each week. You can do this via phone call, text, cards, etc. Please reach out to Pastor Shawn and request a list and he will email your list of families. There are other ministry opportunities that we will be sharing with you.

In His Peace,
