## A Prayer for Healing

Our God,

Your Word says You answer and deliver people when they call on Your name.

So we ask that You would heal and protect those who are sick or who are carrying the COVID-19 virus without knowing it.

Provide a cure for the Coronavirus, heal our economy, and bring a quick end to this darkness.

Whether healing comes today, next week, or next month, we believe You will heal our world. And we will continue to praise You, even as we wait for answers.

In Jesus' Name, Amen.

*Thank You!*

Dear FBC Kenton Friends,

Thank you for all the gestures of love and kindness extended to our family after the passing of our mom.

We especially appreciated the lovely meal that was prepared for us. Thank you to each lady who took time to prepare or serve food.

Thank you for allowing us to use the building for the service.

Mom loved the people of FBC and missed being able to attend in the later days of her life.
