DEACON OF THE WEEK
April 19, 2020
Al Valentine
665-6143

In order to continue our mission effort to offer aid to our community with food, we are asking for your help. Beginning April 19 at our drive through services, we will collect canned foods, dry food items, and water. Please place the items in the bins located at the offering station. If you would like, we are accepting monetary donations as well. Place those at the offering station and mark those "Missions". This will continue at each service until further notice. Also, these items can be dropped off through the gym doors during the week.

Thank you for your support of this mission effort.
