Joey Cooper

In order to continue our mission effort to offer aid to our community with food, we are asking for your help. Beginning April 19 at our drive through services, we will collect canned foods, dry food items, and water. Please place the items in the bins located at the offering station. If you would like, we are accepting monetary donations as well. Place those at the offering station and mark those "Missions". This will continue at each service until further notice. Also, these items can be dropped off through the gym doors during the week.

Thank you for your support of this mission effort.

Annie Armstrong Easter Offering

Church Goal: \$4,500.00
Received YTD: \$3,268.70

Dear Church Family,

Greetings in the name of our Lord and Savior Jesus Christ. We were all hoping that the pandemic that has caused us all significant challenges would be over by this time. We hoped to return to in-person services this Sunday, May 3, however this is not possible as this pandemic continues to be serious, though we do see some improvement as we look ahead. Because we want to get back to in-person services as soon and as safely as we can, we will continue to do drive-in services for at least the next two weeks. We will be assessing our plans for beyond May 10 and will communicate those to you as we have the necessary information and can begin to make the transition back into our buildings. I am so appreciative of your patience during these trying times and your continued support through giving and through ministry to our community and fellow church members and attendees. It has been refreshing to see the Church as the hands and feet of Christ during these times. Please continue to be faithful in giving. If you are waiting to give when we return to our buildings, we ask that you consider giving your gifts now as we continue to minister and have our services such as drive-in, online, and on the radio. There are numerous ways to give, and you can find those listed here in The Informer. As always, we are here if you need us. Give me a call at 731-415-2472 if you or someone you know needs anything.

Love you Church,

Pastor Shawn
